DeAnza and El Camino AQS-CCS Playoffs

Section 1 Teams tied at the end of the regular season shall have their season record against each other determine their standings. (Any teams tied for first are considered Co-Champions)

Section 2 In the event of a three or four way tie at the end of the regular season, the following tie breaking system will be used.

2.1 Head-to-Head competition during the league season.

Team with the best record in games against all of the other teams involved in the tie – combine the record against all teams involved.

Also to Clarify: The tie breaker system when teams are eliminated will continue to go back to the highest criteria. Whether that be head to head or combined record if there was a four way tie and you eliminated one in section 2.2, you would then go back to 2.1 to re-check head to head records

2.2 If teams are tied for first, compare records for the teams against the next highest finishing team in the league, and move down the standings until the tie is broken.

2.3 If teams are tied for any other position, a comparison of the highest finishing team (and move down the standings) will be used until the tie is broken.

2.4 If steps 2.1 to 2.3 have not broken ties, then C.C.S. points (minus any points for champions or champions played) for the last 22 games will be used. If there is still a tie continue CCS tie breaking procedures.

Section 4 C.C.S. Playoffs

4.1 El Camino division champion will receive an automatic bid to CCS.

The 1st, 2nd, 3rd, 4th and 5th place teams from the De Anza division will each advance to the C.C.S. playoffs as automatic qualifiers. But, the 5th place team of
